

COVID-19 Vaccination Management

DAMSTRA
CONNECT + PROTECT YOUR WORLD

Be Compliance Ready Today!

Meet the needs of WA's mandate and be ready nationwide with complete COVID-19 vaccine management from Damstra!

With Damstra's instantly deployable and scalable COVID-19 vaccine management solution, automate processes, and keep those who are vaccinated working and mining sites safe.

Rapidly implement for compliance requirements

Capture and upload the documented evidence of vaccination status of all workers

Provide rapid, and on the spot validation of vaccinations, appointments, and exemptions for site access to be granted

Feed the information into your existing rostering system to manage FIFO workers before they fly, and roster confidently

Set alerts and notifications for reminders of second doses and boosters for pro-active management

Track and report at any time on the progress of vaccinations

We have a solution for you now.
