COVID-19 Vaccination Management

DAMSTRA
CONNECT + PROTECT YOUR WORLD

Let Damstra ensure the health and well-being of your workers with our complete COVID-19 vaccine management solution.

With Damstra's instantly deployable and scalable COVID-19 vaccine management solution, automate processes, and keep those who are vaccinated working and mining sites safe.

Rapidly implement and be up and running quickly

Capture and upload the documented evidence of vaccination status of all workers

Provide rapid, and on the spot validation of vaccinations, appointments, and exemptions for site access to be granted

Input the information into your existing rostering system to manage worker vaccination status with confidence

Set alerts and notifications for reminders of second doses and boosters for pro-active management

Track and report at any time on the progress of vaccinations

We have a solution for you now.

PREPARED PEOPLE   **SAFE WORKPLACES**   **CONNECTED ASSETS**   **ACCESSIBLE INFORMATION**
